

Tabor  
Ministry, Theology and Culture

## International Health & Development *practical and professional*

Tabor College has a proud 40-year-history of equipping Christians for effective, culturally-intelligent work and ministry.

In 2017/18, Tabor staff are excited to continue to offer the Graduate Certificate and Graduate Diploma in IHD.

IHD studies explore clinical care, public health and community development methodologies and practice. Expand your knowledge and increase your professional capacity for medical service and mission.

Enquire now for Summer Semester, and Semester 1 2018.  
On-Campus (Adelaide) // Online // Audit options available.
